MAKING SWEET MUSIC

Vanessa and Monika were really good friends when they were younger, but they've grown apart over the years. Vanessa became a bit of a wild child and Monika was the opposite. When they got together, they stripped each other naked to expose beautiful tight teenage bodies. Shy little Monika was nervous but then they switched and Monika took control! Vanessa loved it.

HONEYDRIPPERS

Last month I received an invitation to our neighbor's pool party. It was supposed to be quite a blast with lotsa new people and hot babes. Yeah, as if that ever happens in real life. Marty and Corrie were the neighbors and have lived next to me for about six years. We hung out once in a while and they've been over to my place for drinks a few times. They were pretty cool and I knew Corrie had some hot girlfriends, so my hopes were high for a hook up or two (at once).

It was a pretty hot Saturday and I was returning from a workout at the gym. As I turned the corner onto our street, it was full of cars. I park in my driveway and drop my stuff in the house. I freshen up and within a half hour I'm out the door with a bottle of wine in hand. I hear laughter and noise and head around the side of their house to the back yard to see the party's already started. I open the back gate and see Corrie running across the pool being chased by Marty.

I walk in and set my bottle by the bar. I see a couple twenty-something girls at the pool playing with one

another in the water their nipples getting harder with each cold splash of water that hits their bodies. I can't tear my eyes from the two women frolicking in the water. Marty slows down enough to greet me. "Glad you could drop by. Grab a beer and join the fun." he says. I smile and look around the pool area and see about a dozen or so people, all relatively attractive and a nice mix of all colors. A good sign, I thought, so I walk over to where the ladies playing.

I look back towards Corrie who's settled down in a pool chair with a girlfriend. Marty said her name is Wendy. He motions me over to say hello to Corrie and Wendy. I saunter over and say hello. Corrie stands and greets me with a big hug and introduces Wendy. Marty sees their glasses have emptied and asks if they'd like them refilled. They answer 'yes' in unison. Marty splits for the bar and I'm left with the two ladies in their skimpy string bikinis.

Corrie tells Wendy to join her taking a dive off the board. They go over, Corrie bounces and jumps in followed by Wendy. They surface and swim to the other end of the pool, which is where we were origi-

nally standing. They climb out of the pool and their bikini tops fall off due to the weight of the water. I can't help looking at their boobs. Corrie's are medium sized and pert, while Wendy's are larger with large nipples. Both are great looking ladies with great bodies. They make no effort to cover up, so they gather their tops and throw them on their chairs. Marty shows up with drinks in hand, sees they're topless and promptly shoves the cold glasses onto their nipples. They jump back, but he has accomplished his purpose. Their nipples get hard immediately.

The two ladies playfully tweak each others nipples and playful antics ensue. Wendy pulls the string on Corrie's bottoms and Corrie grabs Wendy's string and pulls it. So now both their bottoms are hanging off and they're playing right in front of us guys. Marty and I egg them on to kiss and feel each other up, which they promptly do. I decide to lower the backs of their pool chairs and position them close together. Marty eases the ladies onto the chairs and Wendy wastes no time diving into Corrie's love box, teasing her clit with her tongue as she jams four fingers into Corrie's tight pussy.

Corrie squirms and wiggles all over the chairs not holding back her squeals of pleasure as Wendy works her muff diving expertise on Corrie. Corrie flips her legs over her head and Wendy takes the cue, slipping her fingers deep inside her pussy. It doesn't take long before Wendy's finger fucking action causes Corrie to cum.

Once she recovers, Corrie kisses Wendy passionately, an obvious thank you for a great orgasm. Corrie returns the favor wholeheartedly, diving in between Wendy's legs. Corrie takes on a different approach to pussy licking using the old-time flicker and tease technique, which drives Wendy wild. Alternating darting her tongue in and out of Wendy's pussy and quick flicks on her clit, Corrie slips a couple fingers into Wendy's love box causing her to go over the deep end. It is only a matter of a few minutes before Wendy is moaning and grinding her hips into Corrie's face with the power of her orgasm. Corrie smiles wickedly after climax.

Looking up at the happy crowd surrounding them,

she says “I think that was the fastest I have ever been able to get a girl to cum.”

“Okay everyone, show’s over. There’s more food and drink in the kitchen.” Marty yells above the applause. The crowd disperses. I walk into the house and go from room to room and mumble hello to different people who have gathered inside. I settle in a small, cozy room with Craig, our neighbor and begin to ask him if he saw what went on outside. He said he was inside the whole time but had heard that Marty and Corrie were quite liberal. I laughed and agreed. Corrie now enters the room wrapped only in a beach

Corrie gobbles up Marty’s cock, it is obvious that she is genuinely enjoying the taste of his cock. Not bothered by the audience in the room, she continues sucking him as he gets up to take off his pants. With Marty’s prick now ready for action, he picks up Corrie and places her on the sofa so he can return the oral loving. The sounds of sex echo throughout the house as the couple’s sucking becomes increasingly vocal. More people are now standing in the doorway watching the action, but I have a ringside seat. Marty and Corrie are now sixty-nining with him on top and he’s jamming his rod into her mouth. She grabs his balls and lightly

towel. She makes small talk with us in the room about how she and Marty have fucked in every room but this one. Marty now enters and they both sit on the sofa. They then turn to each other. Marty asks Corrie if she is ready to christen this room and she nods with a grin. Corrie drops her towel and slowly drops to her knees, unzips Marty’s pants, pulls out his cock and begins to give his cock a little oral attention.

twists the sac making him groan even louder. He shoves a few fingers into her pussy as he’s pulling on her clit with his mouth. The room gets hotter and some people are loosening their clothes. I sit quietly and watch keeping my hardon to myself. The show ends when he splooges into her mouth and she swallows it all. She cums and they both get up and go to the bathroom. I go home and take care of my business, waiting for the next invite.

Madison was running a little late today. But, it was worth the wait. She came to thrill, wearing nothing but a silver necklace, diamond earrings and silver pumps. The look: smoking hot. To go with her barely there outfit she had the right attitude, a banging body that was uniquely flexible, and a gorgeous face. What more could you possibly ask for in any woman! Enjoy.

don't give up making things right

Youth is not wasted on the young when it cums to sex.

Maxie and I would spend a lot of time talking about dating and sex. We have been good friends and neighbors since the third grade, and there was little we didn't talk about. We'd escape to the solace of her house's basement and spend hours doing our homework and then talking about all the other kids in school. Now it's the summer after our graduation and there is a lot of time to kill. When we exhausted ragging on our past classmates, we'd turn back to sex. Maxie said she had never done anything. I had been with her friend Nancy who had been around a little and was reputed to give the best blow jobs in school. While I still had nothing to compare her to, I didn't complain.

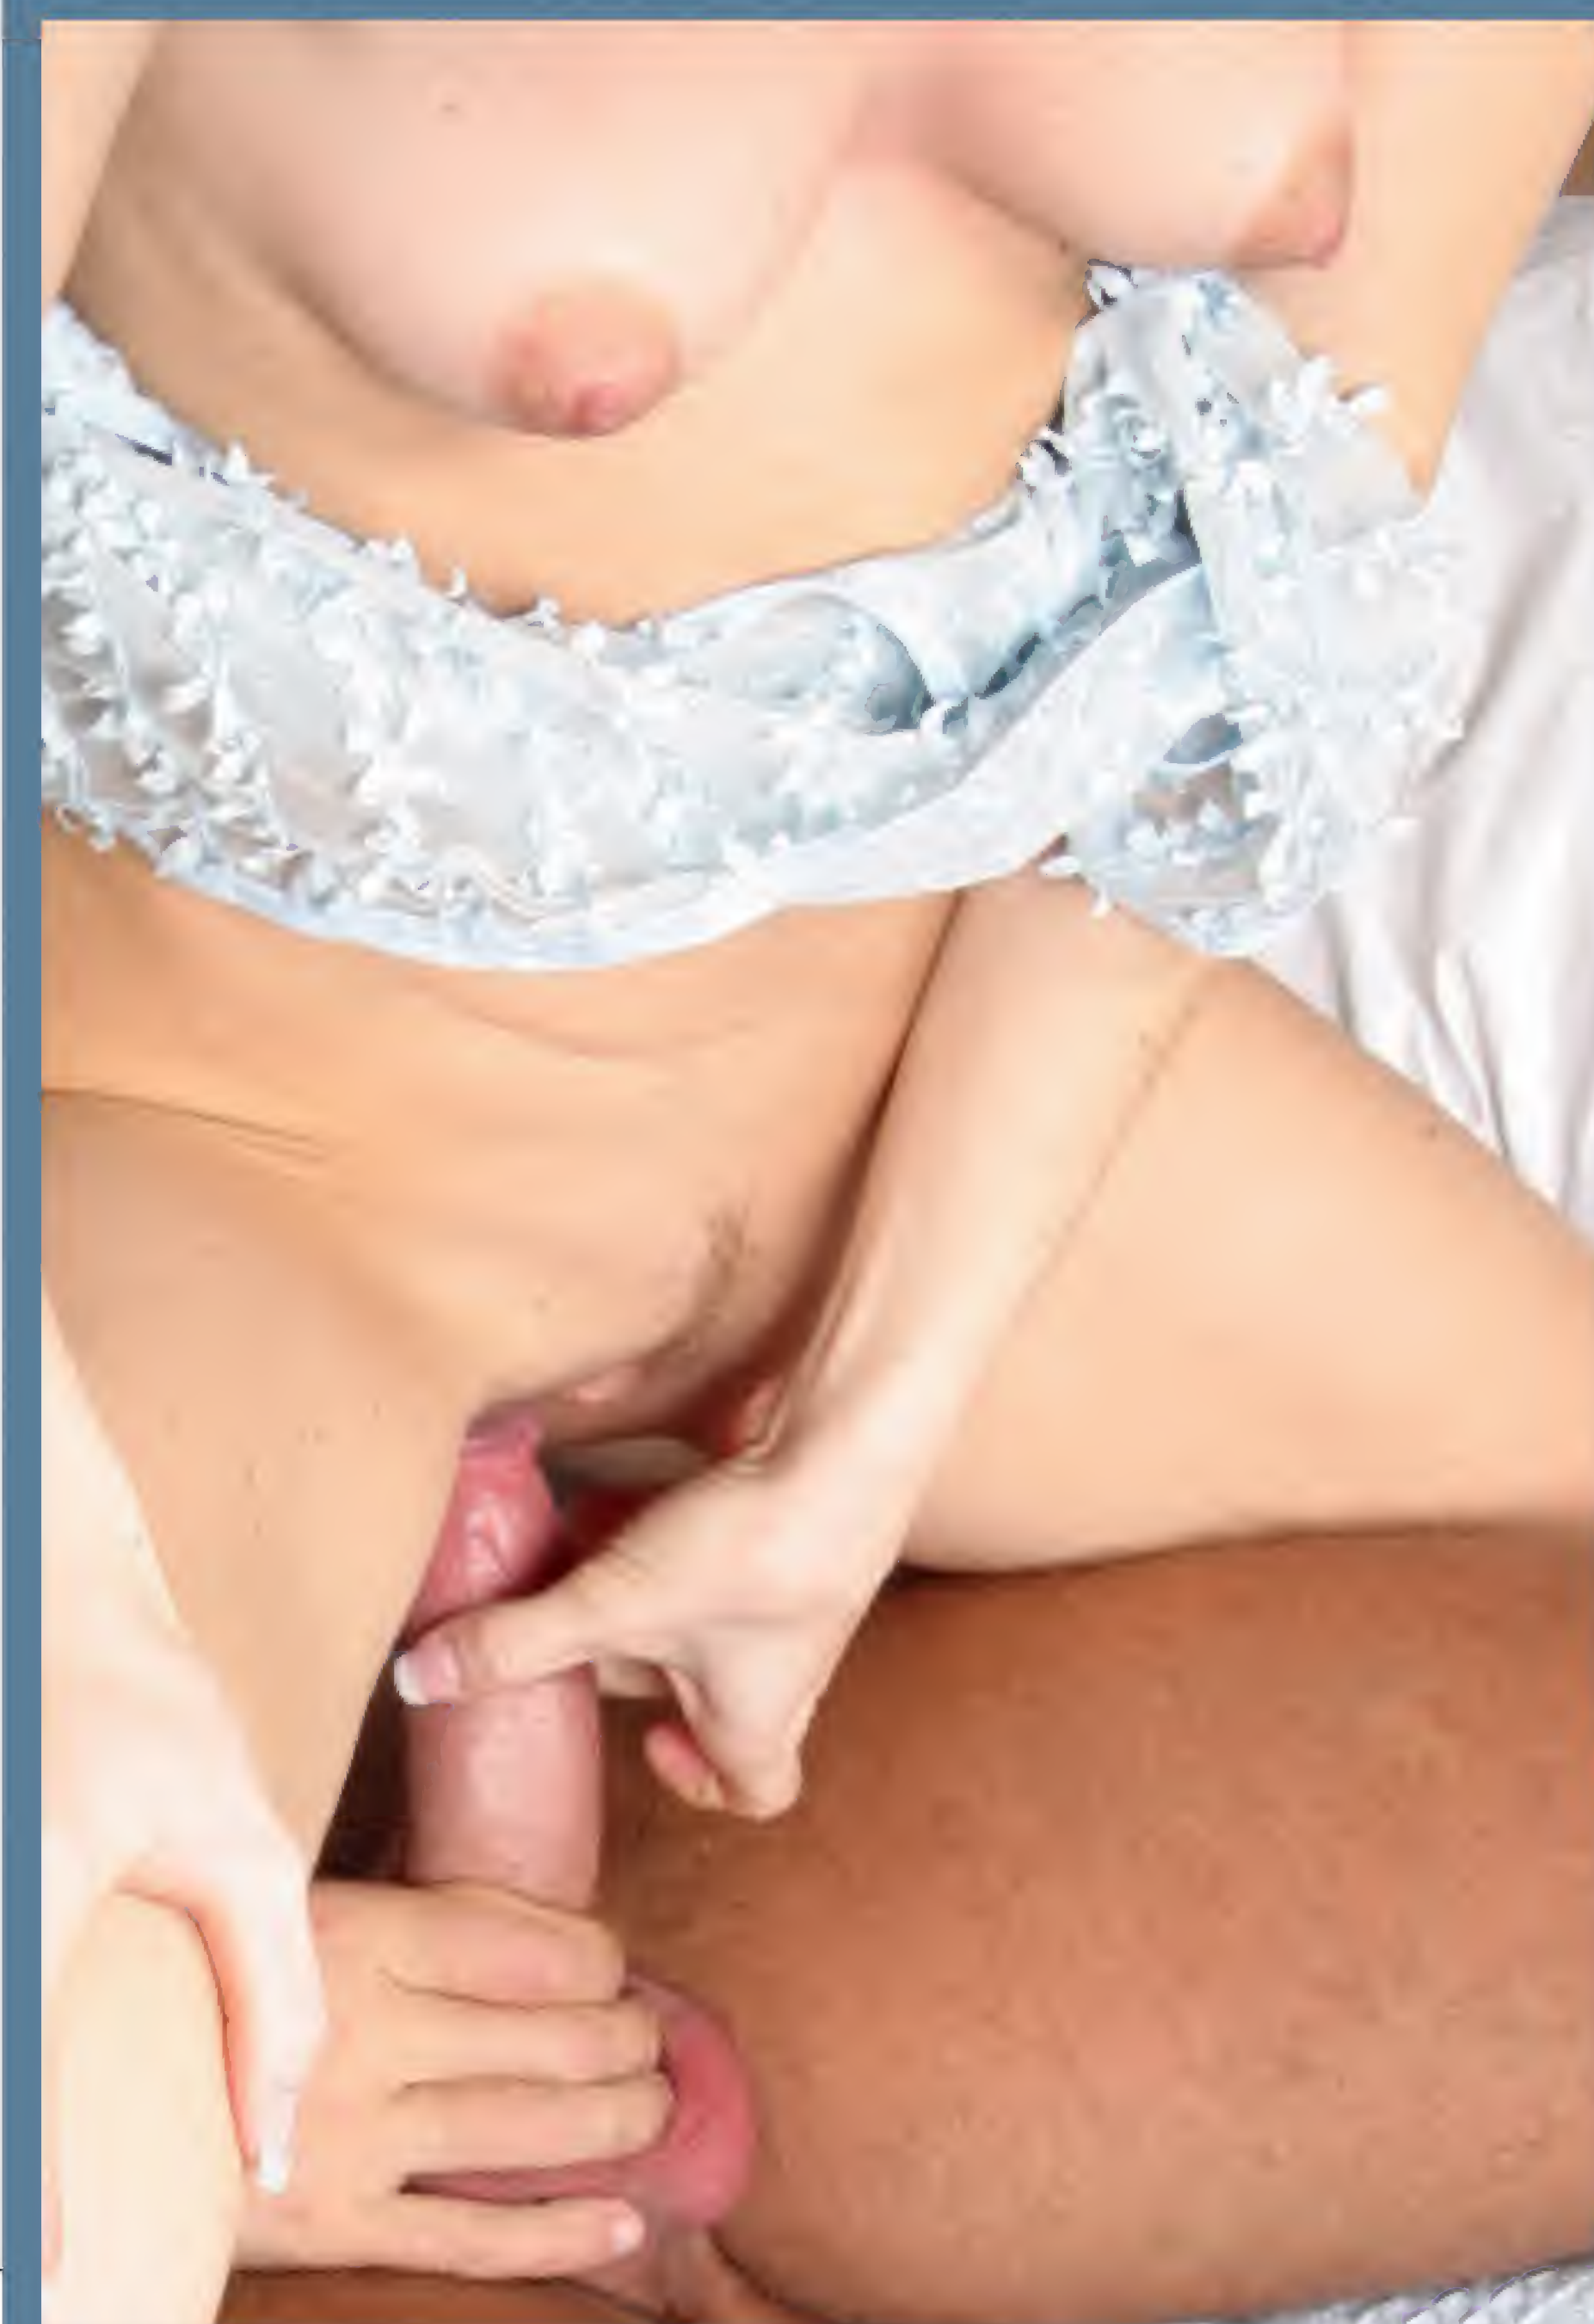

So, Maxie constantly asked me about it. What was it like and how did it feel, and stuff like that. I didn't mind talking about it because it kind of turned me on to see Maxie staring at me, obviously as interested and aroused as I was. The problem was that having sex with Nancy had kind of created a stigma. Even though she was

Maxie's friend, Maxie didn't want to be with anyone that had been with Nancy. Well, I wasn't willing to give up just yet. I'd tell Maxie that it was good but that I didn't really like Nancy that much and I was sure it would be better with someone I cared about. Lying, I told her I wished the first person I'd done it with had been some-

one I knew really well and was comfortable with. She nodded a lot, like this made sense to her. I also told her how I wished Nancy hadn't told everyone like she did. She nodded and said she would like to keep her sex life quiet. We sat there and continued to stare hungrily at each other between the words.

Maxie said she didn't want to get pregnant or worry about disease. I agreed whole heartily saying that I had used a condom with Nancy but that if I knew a girl was clean I would really like to have it without one and just pull out because I wanted to know what it felt like. Maxie frowned a little and I quickly stated that of course I would be willing to wear a condom, bare back was just something I wanted to try. She smiled and moved a little closer to me.

It was now approaching dinner time and we thought it best that we break for dinner. I ran home and had a hurried meal and then ran and showered up and shaved and brushed my teeth. I was back over to Maxie's within an hour. She also had finished eating and had changed into some

comfy clothes. She had on some shorty pajama bottoms and a little cotton tee. I could see she wasn't wearing a bra and was delighted by the implication. Maxie told me that she had fixed up the basement and couldn't wait to get me down there. I couldn't wait either. My pants were beginning to bulge and without relief, my cock was going to punch a hole through my pants. As we went down the stairs I looked at Maxie's ass and it looked like maybe she wasn't wearing any panties. I felt my dick growing hard as I followed her down the stairs, imagining what we might be about to do.

The basement was not finished and nothing special to look at either, but Maxie had put an old futon down in the corner and covered it with a clean blanket. Next to it there was a lamp covered by a scarf to give off a dim light. Maxie sat on the futon in front of me and asked me if she could see "it". I fumbled eagerly with my jeans and she helped me pull them down so my cock sprang out and pointed right to her face. She stared at it and I could see she was excited. She hesitantly reached out to touch and examine it.

Maxie seemed mesmerized by it and she pulled on it lightly for a few minutes. I could see her nipples getting hard through her shirt and she was unconsciously rubbing her

thighs together. My cock was rock hard at this and she seemed to love it. I pulled her up and hugged her to me. I looked into her eyes and kissed her. She had never kissed anyone and I had only kissed Nancy but it was still one of the best kisses I've ever had. We moved our tongues around each other's mouths and I rubbed my hands up and down her back inside her shirt. We broke off and decided to remove our shirts. Her breasts were

beautiful. Quite firm and they pointed straight forward capped by small pink areola and hard little nipples. I cupped them both and rubbed them in a clockwise manner. She seemed to like this and kissed me deeply as I did. I pulled her to me again so I could feel her boobs on my chest. I reached behind her and cupped her ass, pulling her closer to me. My pants were still around my ankles and my cock pressed firmly against her belly. Only the thin fabric of her pajamas separated me from the pussy I had been dreaming about for ten years now.

She let me reach under the waist band of her pjs and cupped her bare ass as we ground together, lips still locked tightly. I was afraid I was going to cum prematurely so I laid Maxie down on the futon and after kicking my own pants off, helped her remove her bottoms. Wow! Her pussy looked so good. Just a small triangle of dark hair that seemed to thin around the lips of her pussy. I could see it was swollen and moisture was visible around her slit. I told her I wanted to taste her. I was amazed at her pussy as I dove in. I could smell her sweet aroma and as I ran my tongue lightly up her slit, I could taste her mild kind of creamy saltiness. Maxie moaned and I began to kiss her all around the inside of her thighs and around her pussy. I ran my tongue along her slit, each time forcing it in a little bit

further. I could feel her inner lips on my tongue and her tiny clit at the top. She shivered each time I hit her clit. Soon I was focused primarily on her clit and every ten flicks or so I would plunge my tongue as deep in her pussy as I could. Maxie loved this and her hips would buck wildly in my face when I pushed my tongue in. Just as my mouth was really getting tired, I sensed Maxie's body tensing up. She was about to have an orgasm and I picked up the pace. Flicking as fast as I could, I rubbed her belly with one hand and her pubic mound with the other. Her hips started bucking again and her breathing quickened.

After a few more licks and tongue thrusts, she shuddered and relaxed. I felt just a small amount of warm liquid spill out of her pussy. I laid next to her and grinned. I ran my hands around her sexy body and stared at her face. I ran my left hand down to her pussy and slid my middle finger along her slit. I did this for a few minutes as we kissed. At some point she must have decided she was ready for me, because she turned into me and I pulled her body against mine.

My cock was still hard, never having gone down. I rolled on top of Maxie and got her legs apart. We were looking deeply into each other's eyes as I pressed the head of my cock against the

gates of her marvelous pussy, and soon to be, my pleasure.

I wanted this moment to last forever as I slid it into her wet pussy. Maxie shivered and I let out a few moans of my own as I buried myself to the hilt. Slowly at first, I slid in and out of her slick honey pot. She felt amazing and I felt my balls and abdomen tightening within the first minute. I realized I didn't have a condom on and said something. Maxie said she knew and had decided she wanted to give me something special.

I smiled and thrust harder into her. Maxie raised her hips to meet me each time I thrust into her. I pulled her legs up over my shoulders and started ramming into her even harder. She moaned and the futon was creaking pretty loudly but I didn't care. I slammed into her with all my might and my dick started spasming uncontrollably. Maxie's body was shaking as I pulled out and shot a huge load across her belly and up to her boobs. Oh, my god, it was the greatest feeling I'd had in my young life.

We laid there for a few minutes caressing each other's bodies and talking about little things we had liked. I felt my dick getting hard again and was thinking of what I'd like to do next when I saw a little movement out of the corner of my eye. I turned into Maxie and gave her a kiss. As I did this I could see over her shoulder and there was someone in the dark at the foot of the stairs kind of peeking around the partition at us. I grabbed Maxie's hair and pulled her off my dick as I bent over for a long kiss.

It was now approaching midnight and Maxie and I were cleaned up ready to go. I followed that nice ass up the stairs and to the kitchen. We kissed one last time for the evening and I promised I would be back tomorrow night. The taste of her lingered with me all the way home and into the next morning.

LAURA LEE & CRYSTAL KLEIN

ROMANCE IN THE AIR

Laura and Crystal were relaxing on the patio one cloudy afternoon. They began kissing and feeling each other up, so they moved the action inside where they'd be more comfortable. The girls took off what little they had on and started licking each other's love boxes. It was crazy hot sex on the sofa. Long slow kisses and deep probing tongues are the rule of the day!
